2015–2016
Join the Wilmington College Athletic Association

The Athletic Association is part of a strong athletics tradition at Wilmington College. It is a way for you to stay in touch with our athletics programs and, at the same time, show our student-athletes how much you appreciate their efforts. All memberships directly support these programs and your investment allows them to continue to grow, improve and thrive!

In 2014-15, WC student-athletes achieved 68 All-Ohio Athletic Conference or Academic All-OAC designations.

Junior Marissa Bolen (right) and senior Jake Sydnor (left) participated in the 2015 NCAA Track & Field Championships in the shot put and 400, respectively.

The men’s lacrosse team finished with a winning record, at 9-7, in only the program’s third year.

Junior David Hawk, WC’s Male Athlete-of-the-Year, won conference titles in the 50, 100 and 200-meter freestyle events. The women’s swimming team posted the eighth highest grade point average in the nation.

For more information, call 937.481.2262.
