

FINANCIAL AID & STUDENT ACCOUNT FERPA RELEASE FORM

The Family Education Rights and Privacy Act (FERPA) of 1974, affords students certain rights with respect to their education records. While parents, guardians, and others understandably have an interest in the student's financial aid and student account, they cannot be granted access to the student's records or information contained in the student's record without written consent of the student. We encourage interested parties to consult with the student if financial aid or student account information is needed. Students may submit a FERPA Release Form to the Wilmington College Student One Stop Center allowing the release of financial aid and or student account information concerning the student's education records to those the student designates. For additional information about FERPA, visit the U.S. Department of Education's website www.ed.gov/gen/guid/fpco/ferpa/index.html.

I authorize Wilmington College to disclose information or copies of documents contained in my financial aid and/or student account education record, as indicated below, to those third parties (parents, spouse, scholarship donor, coach, etc.) identified on this form:
