Student Contact Update: Mental Health

During December, the MHI had 10 scheduled appointments. Of those appointments, 2 were walk-ins, 1 no-show, and 2 cancelled appointment. The grant's Project Officer approved the proposal written by Jennifer Cornell to hire one full time LPC, instead of Mental Health Interns. It was becoming increasingly difficult to secure interns, and the change will benefit students by providing continuing care by the same provider. Interviews were held right before break, and Alexandra Sillato was hired.
