

This provides you with a bird's eye view of Cincinnati State's Clifton campus. All of the directions are based on a student parking in the Central Parkway Garage. Exit the Central Parkway Garage on the 5th floor. See separate maps for the classrooms and for the administrative suite.

You can access the Central Parkway garage from Central Parkway as it curves around towards Ludlow (Blue arrow) or you can take College Drive (Red arrow) all the way around the building to the garage entrance on the lower parking lot. The Wilmington College Cincinnati Administrative Suite is on first floor of the Main Building Room 181.
