## 2020-2021 STUDENT LOW INCOME VERIFICATION

The income reported for you (and spouse, if married) on your Free Application for Federal Student Aid (FAFSA) does not appear to be enough to meet you and your family's basic living expenses (housing, utilities, food, clothing, insurance, etc.). You may have additional resources (other than earnings from employment) that should have been included on your FAFSA. Therefore, you must provide us with additional information before the Wilmington College Student One Stop Center can determine your eligibility for financial aid.
