

Annual Student Loan Acknowledgment

Starting with the 2020–2021 academic year, the Annual Student Loan Acknowledgment will present financial literacy content and an overview of how much federal education loan debt students and parents have accrued and how much more aid they are eligible to receive. Federal Student Loan Borrowers and Parent PLUS Loan borrowers must complete the Annual Student Loan Acknowledgment process online at <https://studentaid.gov> prior to the first disbursement of the Federal Student Loans. This acknowledgment process will not be made available from the US Department of Education until April 2020. More information will be released as it becomes available.
