

SEMESTER 1 (Fall)	CREDITS	SEMESTER 2 (Spring)	CREDITS
ED130 Foundations of Education	4	SE230 Intro to Exceptionalities (Soc Sci 1)	4
ID120 First Year Experience	1	Fine Art (1)	4
EN101 English	4	MT131 Intro to Stats	4
MT107 or higher Math	4	BI231 Biological Sciences (NS 2)	4
BI230 Biological Sciences I (NS 1)	4	ED133 Educational Technology	1
BI130 First Year Seminar in Biology	1		
TOTAL CREDITS:	18	TOTAL CREDITS:	17

YEAR ONE NOTES: You will need to earn a B- or better in ED130 for admission to the licensure program. You will be completing a content major in addition to your education major. You need a C or higher in all education courses for student teaching. You should be preparing for & taking the ACT if you have not already earned a 20 on the composite, the English subtest, the math subtest, and the reading subtest.

SEMESTER 3 (Fall)	CREDITS	SEMESTER 4 (Spring)	CREDITS
ED230 Human Development and Learning (Soc Sci 2)	4	Humanity (2)	4
Humanity (1)	4	Fine Art (2)	4
CH230 Principles of Chemistry I	4	C231 Principles of Chemistry II	4
BI req upper division elective (1)	4	BI req upper division elective (2)	4
TOTAL CREDITS:	16	TOTAL CREDITS:	16

YEAR TWO NOTES: You will need to earn a B- or better in ED230. You also need to have completed 2 courses from the biology program with a C or higher for admission to the licensure program. Ideally you should be ready to apply for admission to the licensure program by the end of Semester 3; however, if you have not met admission requirements by the end of Semester 4, you may need to consider a switch to Education Studies to stay on track for graduation.

SEMESTER 5 (Fall)	CREDITS	SEMESTER 6 (Spring)	CREDITS
ED285 Field Practicum II	1	ED385 Field Practicum III	1
ED341 Reading Core II	4	ED349 Secondary methods	4
ED360 Survey of Inclusion Philosophy & Strategies	4	BI req upper division elective (5)	4
BI req upper division elective (3)	4	BI req upper division elective (6)	4
BI req upper division elective (4)	4	ED368 Classroom/Behavior Managements in General Education Settings	4
TOTAL CREDITS:	17	TOTAL CREDITS:	17

YEAR THREE NOTES: Now is the time to start thinking about your licensure tests. We recommend you start looking at the test framework for your Science content test. You will need to take the content test over the summer or early in fall as a passing score is required for student teaching.

Adolescent/Young Adult Education - Life Science: 2020-21

BACHELOR OF ART (BA)

SEMESTER 7 (Fall)	CREDITS	SEMESTER 8 (Spring)	CREDITS
ED485 Field Practicum IV	1	ED495 Student Teaching	16
ED356 Teaching Sci in MC/AYA	4		
BI493 Biology Research Experience	4		
BI upper division elective (7)	4		
GL320 Wilmington Global Signature	4		
TOTAL CREDITS:	17	TOTAL CREDITS:	16

YEAR FOUR NOTES: You will need a passing score on the content test by October of Semester 7 in order to student teach in Semester 8. You will not be permitted to student teach without that passing score. You must also complete an application for student teaching during Semester 7; your ED485 site supervisor will help you. Student teaching is a 15-week experience and you will follow the calendar and schedule of your school district. You will attend seminar on Wednesday afternoons on campus. You must complete the edTPA project during student teaching and meet the state-set cut score of 37 in order to successfully pass the project.

Total number of hours in the program (124 required): 134

Total number of upper division hours (40 required): 74

Licensure earned: General Education, Adolescent/Young Adult (AYA) Life Science, grades 7-12.

OAEs: 007 Biology; 003 Assessment of Professional Knowledge (only if edTPA is not passed with a 37 or higher)
