**YEAR ONE NOTES:** MU130 Music in Human Society and CA131 Mass Media in a Global Society are important prerequisites for other courses in the minor and should be taken as early as possible. The courses that have been listed as “OTHER COURSES (*suggested but not required*)” are valuable experiences in ensembles and private study that do not count toward the minor because they are lower-division (1xx- or 2xx-level). However, the 3xx- and 4xx-level courses in the same topics (ensembles and private study) that are to be taken in the junior and senior years *do* count toward the electives portion of the minor, because they are upper-division.
